Objectives of the program	To create behavior of a connection between Theory and practice in nursing education among faculties.	

Detailed report of the program

The program was conducted among the faculties of Sree Narayana Nursing College on November 11th 2023. The guest lecture was delivered by Prof G. Pavithra, She explained that the OSCEs are very helpful in medical education because they allow a student to practice and demonstrate clinical skills in a standardized medical scenario. Students have the opportunity to demonstrate competency in communication, history taking, physical examination, clinical reasoning, medical knowledge, and integration of these skills. It is meant to be a fair and accurate way to assess competence, as well as identify areas that need more work and practice. Clinical interactions (in-person or virtual) with standardized patients: counseling, examination, history taking, Examination of mannequins and interpretation of findings, Computerized cases, Test Interpretation, Order writing. Feedback forms were collected after the lecture. The session concluded with an end note by Prof. Kalpana Boddu, IQAC Coordinator.
