Report On ADD ON COURSE

Name of the AOC: ANATOMAGE & SUTURING

Date: 06.4.2022-14.2.2022

Venue: Auditorium III Floor

No. of students Enrolled: 99

Attendees: II B.Sc., Nursing Students

From 6th April to 14th April 2022, Sree Narayana Nursing College conducted an Add-On Course on “**Anatomage & Suturing**” for II B.Sc. Nursing students. The course focused on essential techniques and principles related to the use of Anatomage tables and suturing methods in clinical practice. It included hands-on training with Anatomage technology, understanding anatomical structures, and mastering various suturing techniques. Students participated in practical sessions that allowed them to practice suturing on simulated models, enhancing their technical skills and confidence. The course concluded successfully with 100% attendance, and all participants received certificates to acknowledge their achievements. This initiative not only enriched the students’ understanding of anatomy and suturing but also equipped them with vital skills for their future nursing careers.

Report On ADD ON COURSE

Name of the AOC: STRESS MANAGEMENT

Date: 26.07.2021-03.07.2021

Venue: Auditorium III Floor

No. of students Enrolled:

Attendees: I B.Sc., & I PB B.Sc., Nursing Students

From July 26 to August 3, 2021, Sree Narayana Nursing College organized an Add-On Course on "**Stress Management**" aimed at I B.Sc., & I PB B.Sc., Nursing students. This program focused on understanding stress, its effects on health, and effective coping strategies essential for both personal well-being and professional practice. The physiological and psychological aspects of stress. Techniques for identifying personal stress levels and triggers. Exploration of various stress management techniques, including mindfulness, deep breathing exercises, and time management skills. Hands-on workshops where students practiced relaxation techniques and participated in guided meditations. Role-playing scenarios to apply stress management strategies in clinical settings. Discussion on the importance of self-care and support systems in healthcare. The course concluded with full participation students, highlighting the importance of stress management in nursing. Each participant received a certificate acknowledging their commitment to developing essential skills for handling stress effectively. This initiative not only equipped students with valuable tools for their own well-being but also prepared them to support their future patients in managing stress during healthcare experiences.
