### **Programme Detailed Report**

Sree Nursing College conducted a faculty development program focused on enhancing PowerPoint presentation skills. The program aimed to equip faculty members with the knowledge and techniques to create effective and engaging presentations for both teaching and professional purposes.

The program commenced at 3:00 PM with a welcome address by the esteemed Principal, Prof. V. Jayanthi. She emphasized the importance of effective presentation skills in academia and introduced the guest speaker, Mr. P. Nagendra Babu. Mr. Nagendra Babu, an expert in PowerPoint presentations, led the training session. He began by explaining the fundamentals of creating presentations, including slide design, content organization, and visual aids. He then delved into advanced features and techniques to make presentations more impactful and interactive. The faculty members of Sree Narayana Nursing actively participated in the program. They gained valuable insights into utilizing PowerPoint effectively for teaching, research presentations, and other professional activities. In today's digital age, PowerPoint presentations have become an indispensable tool for communication and knowledge dissemination. Effective presentations can significantly enhance teaching and learning experiences, improve research communication, and contribute to professional development. This faculty development program was crucial in empowering the faculty members with the skills to leverage PowerPoint effectively, thereby enriching their teaching practices and contributing to the overall academic excellence of the institution. The PowerPoint presentation training program was a successful initiative that fostered professional development among the faculty members of Sree Nursing College. The knowledge and skills gained will undoubtedly have a positive impact on their teaching practices and contribute to the institution's commitment to academic excellence.

## Detailed report of the program

On February 28, 2020, Sree Narayana Nursing College took a significant step towards enhancing the digital literacy of its faculty by hosting a comprehensive training program on “Utilizing Multimedia in E-course Development: and Delivery. The event aimed to empower educators with the skills needed to effectively leverage multimedia tools in creating engaging and impactful online learning experiences.

The day commenced with a prayer song, fostering a positive atmosphere for the learning journey ahead. Principal Prof. V. Jayanthi warmly welcomed the attendees, underscoring the importance of embracing technology in the dynamic field of nursing education.

The heart of the training was led by Mr. P. Rajeeva Lochan, who skillfully guided the faculty through the intricacies of multimedia tools and techniques. He showcased their vast potential in crafting engaging e-courses, emphasizing practical applications in creating, editing, and incorporating various media formats into online content.

Interactive hands-on demonstrations allowed participants to actively experiment with their newfound knowledge, solidifying their understanding of the concepts. The meticulous organization by Mrs. B. Bhanu Jyothi from the Community Health Nursing department ensured a seamless and enlightening experience for all. The enthusiastic faculty participation underscored a collective commitment to professional growth and innovation in nursing education.

The program concluded with a sincere vote of thanks from Mrs. Sarumathi, acknowledging the invaluable contribution of the trainer and organizers. This successful training program exemplifies Sree Narayana Nursing College's dedication to excellence in both teaching and learning. By equipping its faculty with cutting-edge digital skills, the college is fostering a forward-thinking approach that will undoubtedly benefit both educators and students in the long run
