- The parents were informed about the job placement waiting for them once they completed their courses and the importance of skill development.
- Parents were given orientation regarding the subjects both theory and clinical practice hours.
- Parents were informed about the importance of practical exposure in a hospital setting and its relevance to the curriculum.
- Concerns were raised about balancing academics and practical training. Faculty reassured parents that the schedule would be managed to ensure adequate preparation for both.
- Informed the parents about the availability of counseling services for the students. And remedial classes (discussion class) for slow learner to improve their performance in the forthcoming exams.
- Test marks will be sent to parents by SMS and discussed regarding frequent absenteeism in all tests.
- Discussed attendance in theory & practical hours. In Theory, 80% and in practical 100% attendance is necessary as per university norms to appear for the university examination.
- High absenteeism among the students leads to a lack of attendance, and they will not be eligible to appear for university examinations.
- The principal discussed about the internal assessment examination, absenteeism for the exam, poor performance & high failure rate. It is the responsibility to bring it to the notice of parents.
- Parents requested to intimate regarding the attendance percentage once in 3 months and the principal conveyed that every month by 10 or 15th progress report will be sent to the parents.
- Parents should give proper address for communication of progress reports to the coordinator.

- Test marks will be sent to parents by SMS and discussed regarding frequent absenteeism in all tests.
- Discussed attendance in theory & practical hours. In Theory, 85% and in practical 100% attendance is necessary as per university norms to appear for the university examination.
- High absenteeism among the students leads to a lack of attendance, and they will not be eligible to appear for university examinations.
- The principal discussed about the internal assessment examination, absenteeism for the exam, poor performance & high failure rate. It is the responsibility to bring it to the notice of parents.
- Parents requested to intimate regarding the attendance percentage once in 3 months and the principal conveyed that every month by 10 or 15th progress report will be sent to the parents.
- Parents should give proper address for communication of progress reports to the coordinator.
- All parents should cooperate, and motivate their children to improve academic performance.
- Mess due to be cleared before 10th of every month.
