## VISION

- To evolve as an International Centre of Excellence to Promote Invention, Innovation and Entrepreneurship.

## MISSION

- To Train, counsel, guide and mentor the students and faculties in performing innovative translational research and setting up of the enterprise.
- To facilitate the scientific interactions between different Departments of Medicine and its allied faculties to generate novel ideas.
- To provide infrastructure and state-of-art technology to test the hypothesis that could result in an invention.
- To encourage innovative collaborative basic research to benefit the community and enabling the industry to produce cost effective equipment and drugs.
- To be a center of excellence that fosters synergy between the academia and the industry that fuels entrepreneurial spirit and inculcates research bent of mind among students to help them to be self reliant and contribute to the nation building.
- To nurture technology and knowledge based ventures through their start-up phase by providing the necessary support and promote entrepreneurship.
