Agenda: 1 Confirmation of Minutes of earlier meeting

Discussion: Dr Thiruppathi. Arjunan, chairperson Read the minutes and action taken report on earlier meeting.

Agenda: 2 Review of Research Proposals

Discussion: Each student presented their research proposal, covering their objectives, methodology, expected outcomes, and timelines. The following proposals were discussed in detail and approved after few modifications.

Agenda: 3 Ethical Compliance

Discussion: The Chairperson emphasized the importance of ethical compliance in all research activities. It was highlighted that adherence to ethical guidelines is critical to maintaining research integrity, ensuring participant safety, and upholding the credibility of the research process.

Agenda: 4 Planning for Capacity Building through Research Workshops/Seminars.

Discussion: The committee discussed the need to enhance research skills and provide support to students and faculty in various areas of research. It was agreed that organizing a series of workshops and seminars would help build capacity, improve research quality, and promote a research-oriented culture.

Proposed Workshop Topics:

1. Research Methodology & Design
2. Data Analysis & Interpretation
3. Scientific Writing & Publication
4. Ethical Guidelines in Research

Action Plan:

- Develop a detailed schedule for each workshop and identify resource persons for conducting sessions.
- Create promotional materials and circulate workshop details to students and faculty.

Agenda: 5 Research Publication

- Chairperson & Members emphasized the importance of selecting peer-reviewed, indexed journals with a high impact factor.
- Guidance was provided on identifying reputable journals to avoid predatory publishing. A detailed overview of publication guidelines, including formatting, reference style, and submission protocols, was discussed.
- The committee suggested conducting a separate workshop to familiarize students with these guidelines.

Action Plan:

- Organize a workshop on “Manuscript Writing and Publication Ethics” to guide students and faculty.

Conclusion:

- The committee members are tasked with finalizing the schedules and resource persons for the workshops.
- Continuous communication will be maintained to monitor progress on the action plans and provide support where needed.
- The next meeting is scheduled next academic year to review the status of action items and assess the effectiveness of the workshops and publication strategies.

The Chairperson thanked all participants for their valuable contributions and encouraged ongoing collaboration to foster a vibrant research culture within the institution.

General Discussion:

- During the Research Committee meeting, a general discussion was held on enhancing the publication efforts of faculty members.
- It was emphasized that increased publications in reputable journals would raise the institution's academic profile.
- The committee encouraged faculty to seek external funding for their research projects, highlighting various grant opportunities and funding sources. The importance of securing financial support for research activities was underscored.
- Additionally, the committee discussed the organization of research workshops to provide faculty with necessary skills and knowledge for successful grant writing and project execution. These workshops aim to boost faculty confidence in managing research projects and securing funding.
- The committee agreed to explore partnerships and resources to facilitate these workshops.

Next Meeting:

The next meeting will focus on planning research workshops and strategies to motivate faculty participation in funding projects. Tentatively, it is scheduled in the month of July. The agenda will include discussions on potential workshop topics, resources needed for faculty development, and identifying funding opportunities. Members are encouraged to propose ideas before the meeting. The confirmed date will be shared once finalized.

1. Confirmation of Minutes from the Previous Meeting

Discussion: DrThiruppathi. Arjunan read the minutes and the action taken report from the earlier meeting. The minutes were confirmed without any objections.

2. Review of Research Proposals

Discussion: Each student presented their research proposal, detailing objectives, methodology, expected outcomes, and timelines. The following proposals were discussed and approved after minor modifications:

3. Ethical Compliance:

Discussion: The Chairperson emphasized the critical importance of ethical compliance in all research activities. Adherence to ethical guidelines is essential for maintaining research integrity, ensuring participant safety, and upholding the credibility of the research process.

4. Planning for Capacity Building through Research Workshops/Seminars

Discussion: The committee acknowledged the need to enhance research skills and support both students and faculty. It was agreed that organizing a series of workshops and seminars would build capacity, improve research quality, and foster a research-oriented culture. The faculty also proposed some topics to conduct research workshop or seminars

5. Research Publication

Discussion:

- The Chairperson and committee members stressed the importance of selecting peer-reviewed, indexed journals with a high impact factor for publication.
- Guidance was provided on identifying reputable journals to avoid predatory publishing practices.
- A detailed overview of publication guidelines, including formatting, reference styles, and submission protocols, was discussed.

14	Ms. Male Lakshmi Pravallika	A Descriptive study to determine the safety measures practiced in handling pesticides among farmers at selected villages in Nellore, Andhra Pradesh	Approved

Next Meeting:

The next meeting will focus on planning research workshops, strategies to motivate faculty participation in funding projects, and discussions on promoting publications, book authorship, and scientific presentations. Tentatively, it is scheduled for November. The agenda will include identifying workshop topics, resources needed for faculty development, and exploring funding opportunities. Members are encouraged to submit ideas before the meeting. The confirmed date will be shared once finalized.

Conclusion:

The Research Committee is committed to fostering a robust research environment at Sree Narayana College of Nursing. The committee will ensure the effective implementation of these resolutions and monitor progress regularly.
