## Report on language and communication skill development in Language and Proficiency

The program on "Language and Communication Skill Development in Language and Proficiency," held on 12th July 2023 from 4:00 PM to 6:00 PM at Sree Narayana Nursing College, was designed to enhance participants' language skills and proficiency. The event began with a welcome address by the PBBSC students, who set an engaging tone for the seminar. Prof. B. Kalpana, Vice Principal of SNNC, then delivered the keynote address, highlighting the importance of language proficiency in professional and academic success.

Assoc. Prof. Challa Jyothsna-N. Devi, MBA, Career Analytical Skills, led the main sessions, starting with a discussion on the "Objectives" of language proficiency, explaining its significance in various contexts. She then covered "Main Streaming," addressing how integrating language skills into various fields enhances overall effectiveness. The session on "Principles" outlined fundamental concepts and approaches to mastering language skills. Prof. Jyothsna-N. Devi further explored "Language Proficiency," detailing the key aspects required for effective communication. She also discussed the "Stages of Language Proficiency," providing a framework for understanding the progression of language skills.

The program concluded with a vote of thanks and a summary of the event delivered by the IQAC Coordinator, who expressed appreciation for the speaker's insights and the active participation of all attendees.

## Report on soft skill development in Team work

The seminar on teamwork, held on 12th July 2023 from 4:00 PM to 6:00 PM at Sree Narayana Nursing College, commenced with a welcome address delivered by the PBBSC students. Dr. Jayanthi, Principal of Sree Narayana Nursing College, gave the keynote address, emphasizing the crucial role of teamwork in the healthcare field. Assoc. Prof. Challa Jyothsna-N. Devi, MBA, Career Analytical Skills, led the core sessions, starting with the "Importance of Teamwork," where she discussed the value of collaboration in achieving success. She then explored the "Stages of Team Development," outlining the phases teams go through to become effective. Next, she presented the "Characteristics of a Team," focusing on traits that contribute to a team's strength and cohesion. Prof. Jyothsna-N. Devi also covered "Communication with the Team," stressing the need for clear, constructive communication in teamwork settings. Finally, she concluded with the "Communication Do's and Don'ts," offering practical guidelines for effective team communication. The event concluded with a summary and vote of thanks delivered by the IQAC Coordinator, who appreciated the insightful sessions and participation of all attendees.

### Report on Yoga and Wellness Development: Introduction to Yoga

On 30th January 2024, a seminar on "Yoga and Wellness Development: Introduction to Yoga" was held at Sree Narayana Nursing College (SNNC) for II PBBSC students. The event commenced with a welcome address by the students, followed by a keynote address from Dr. I.V. Mamatha, Principal of SNNC, who emphasized the importance of yoga in promoting both physical and mental well-being. The seminar's lead speaker, Asst. Prof. Swapna Jowari Kopisha, a yoga instructor, introduced the audience to the "8-Limbed System of Yoga," explaining its foundational principles and how it guides the holistic practice of yoga. She further highlighted the important aspects of yoga, including discipline, mindfulness, and breath control, which are essential for achieving balance and health. Additionally, Prof. Swapna demonstrated various asanas, or physical postures, explaining their benefits for flexibility, strength, and stress relief. The seminar concluded with a vote of thanks from Dr. I.V. Mamatha, who expressed her appreciation for the valuable insights shared and encouraged students to incorporate yoga into their daily routines for overall wellness.

### Report on Human Value Development: Introduction to Human Values

On 5th December 2023, a seminar on "Human Value Development: Introduction to Human Values" was conducted at Sree Narayana Nursing College (SNNC) for II BSc Nursing students. The event commenced with a welcome address by the students, followed by a keynote address from Prof. V. Jayanthi, Principal of SNNC, who underscored the significance of understanding human values in nursing and healthcare. Assoc. Prof. Challa Jyothsna-N.Devi, an expert in career analytical skills, led the main sessions, beginning with an exploration of the various types of human values, such as ethical, social, and cultural values, and their relevance in personal and professional contexts. She discussed different approaches to human values, emphasizing the need for a holistic understanding that incorporates emotional and cognitive aspects. Assoc. Prof. Jyothsna-N.Devi also addressed basic human aspirations, linking them to the pursuit of fulfillment and well-being. Furthermore, she differentiated between human values and beliefs, highlighting how values serve as guiding principles in decision-making. The seminar concluded with a vote of thanks from Prof. V. Jayanthi, who expressed gratitude for the insightful discussions and encouraged students to integrate these human values into their practice to enhance their contributions to healthcare.

## Report on Human Value Development: Ethics and Morality

On 3rd February 2023, a seminar on "Human Value Development: Ethics and Morality" was held at Sree Narayana Nursing College (SNNC) for II BSc Nursing students. The event commenced with a welcome address by the students, followed by an insightful keynote address from Prof. Jayanthi, Principal of SNNC, who emphasized the importance of understanding ethics and morality in the context of healthcare. The main speaker, Prof. Nakka Sukumar, M.A. in Sociology, led a comprehensive discussion on the distinctions between ethics and morality, clarifying their roles in guiding behaviour and decision-making. He explored how morality can vary across different cultures, highlighting the diverse values and beliefs that shape ethical perspectives. Prof. Sukumar also posed various ethical questions to engage the audience in critical thinking, addressing the complexities of moral dilemmas encountered in everyday life. He examined the factors influencing ethical behaviour, including societal norms and personal experiences, and discussed the interplay between personal values and personality. The seminar concluded with a vote of thanks from Prof. Jayanthi, who expressed her appreciation for the enlightening discussion and encouraged students to reflect on these concepts as they prepare for their future roles in healthcare.

### Report Personality and Professional Development in Empathy

On July 26, 2022, Sree Narayana Nursing College hosted a session on Personality and Professional Development: Empathy for IV B.Sc. students. The event commenced with a welcome address by the students, setting a positive tone for the discussions that followed. Prof. B. Kalpana, Vice Principal of SNNC, delivered the keynote address, highlighting the critical role empathy plays in healthcare and interpersonal relationships. The main sessions were led by Prof. Nakka Sukumar, M.A. Sociology, who introduced the concepts of affective empathy and cognitive empathy, explaining how these dimensions contribute to understanding others' feelings and perspectives. He emphasized the importance of empathy in fostering effective communication and improving patient care in nursing practice. Prof. Sukumar also outlined essential empathy skills, such as active listening and emotional regulation, that are vital for healthcare professionals. Furthermore, he provided practical strategies on how to improve empathy, encouraging students to engage in reflective practices and develop a deeper awareness of their emotions and those of others. The session, held from 4 PM to 6 PM, concluded with a vote of thanks from Prof. B. Kalpana, who reiterated the significance of empathy in personal and professional development, urging students to cultivate this essential skill in their nursing careers.

### Personality and Professional Development: Career Planning Development

On January 4, 2022, Sree Narayana Nursing College conducted a session on Personality and Professional Development: Career Planning Development for IV B.Sc. students. The event commenced with a welcome address by the students, followed by a keynote address delivered by Prof. B. Kalpana, Vice Principal of SNNC, who underscored the significance of effective career planning in shaping students' futures. The primary sessions were led by Assoc. Prof. Challa Jyothsna-N.Devi, an expert in career analytical skills. She initiated the discussions by highlighting the importance of career planning, explaining how strategic foresight can lead to successful career trajectories. Prof. Jyothsna outlined the objectives of career development, emphasizing the need for self-awareness and goal-setting in the career planning process. She provided actionable strategies for successful career development, which included networking, skill enhancement, and continuous learning. Additionally, she addressed the factors influencing career development, such as personal interests, market trends, and economic conditions. The session also covered the stages of career planning and development, guiding students on how to navigate each phase effectively. The event concluded with a vote of thanks from Prof. B. Kalpana, who encouraged students to actively engage in their career planning processes to achieve their professional aspirations.

### Report on Soft skill development in Critical Thinking

The seminar on critical thinking, organized by Sree Narayana Nursing College, took place from 4:00 PM to 6:00 PM on 23/06/2021. The event commenced with a welcome address by the PBBSC students, setting the tone for an insightful session. Following this, Dr. Jayanthi, Principal of SNNC, delivered the keynote address, highlighting the importance of critical thinking in education and healthcare. The sessions were led by Mr. Prof. Challa Venku Reddy, Director of IHTR, MA, who began with a presentation on the "Types of Thinking," exploring various cognitive processes. He then discussed "Critical Thinking Standards," focusing on essential benchmarks for effective thinking. Mr. Reddy continued with a session on the "Benefits of Critical Thinking," detailing how it can enhance decision-making and problem-solving skills. The seminar also addressed the "Barriers of Critical Thinking," where Mr. Reddy identified common obstacles that impede critical analysis. The program concluded with a vote of thanks and summary of the event delivered by the IQAC Coordinator, who appreciated the contributions of the speakers and participants.

### Report on analytical skill development: Business and market analysis

On July 7, 2021, Sree Narayana Nursing College organized an event focused on Analytical Skill Development on Business and Market Analysis for IV B.Sc. Nursing students. The program began with a welcome address by the students, emphasizing the growing importance of business and market analysis in shaping effective strategies. Prof. V. Jayanthi, Principal of SNNC, delivered the keynote address, discussing the critical role that business analysis plays in making informed decisions, particularly in healthcare management. The sessions were led by Prof. Nagendra from Sree Venkateswara College of Engineering, who covered key topics. He began with demand forecasting, explaining how businesses predict future demand using historical data and trends. This was followed by a session on product lifecycle analysis, where he outlined the stages a product undergoes from its introduction to its eventual decline, and how companies adapt their strategies accordingly. Market trend analysis was then discussed, focusing on identifying and leveraging trends to better understand market conditions and consumer behavior. Prof. Nagendra concluded with a comprehensive session on PEST analysis (Political, Economic, Social, Technological, Legal), illustrating how external factors influence market dynamics. The event ended with a vote of thanks by Prof. V. Jayanthi, who expressed appreciation for the insightful discussions and reinforced the importance of analytical skills in business and healthcare sectors.

### Report Personality and Professional Development: Adaptability and Resilience

On December 14, 2020, Sree Narayana Nursing College hosted a session on Personality and Professional Development: Adaptability and Resilience for IV B.Sc. students. The event began with a welcome address by the students, introducing the theme of the session. Prof. B. Kalpana, Vice Principal of SNNC, delivered the keynote address, emphasizing the significance of adaptability and resilience in navigating the challenges of both academic and professional environments. K. Sunil Kumar, Associate Professor and Placement Officer, led the main discussions. He explored the concept of adaptability, discussing its critical role in responding to changing circumstances and fostering a growth mindset. Sunil also addressed the importance of self-confidence, illustrating how it empowers individuals to embrace challenges and make informed decisions. He referenced the experiences of Pamela Wallin and Scott Adams to highlight real-world examples of resilience in the face of adversity. Furthermore, he shared insights on cultivating adaptability and resilience, offering practical strategies for students to enhance these qualities in their personal and professional lives. The session concluded with a vote of thanks from Prof. B. Kalpana, who reinforced the importance of these skills for future healthcare professionals, encouraging students to develop a proactive approach to their careers.

### Report on Analytical Skill Development: Logical and Analytical Thinking

On 21st December 2020, a seminar on "Analytical Skill Development: Logical and Analytical Thinking" was conducted at Sree Narayana Nursing College (SNNC). The event began with a welcome address by the students, followed by a keynote address from Prof. V. Jayanthi, Principal of SNNC, who emphasized the significance of strong analytical skills in the nursing profession. The main speaker, Prof. Nagendra from Sree Venkateswara College of Engineering, led the session, starting with a comprehensive overview of analytical skills and their relevance in problem-solving and decision-making. He provided practical tips for improving analytical skills, encouraging students to engage in critical thinking and continuous learning. Prof. Nagendra also discussed the process of assessing information, emphasizing the importance of evaluating sources and distinguishing between facts and opinions. He addressed common assumptions that can hinder analytical thinking and highlighted the vital role of logical thinking in forming sound judgments. The seminar concluded with a vote of thanks from Prof. V. Jayanthi, who expressed appreciation for the valuable insights shared and encouraged students to cultivate these skills for their future careers in healthcare.

## Personality and Professional Development: Ethics and Professionalism

On August 21, 2019, Sree Narayana Nursing College organized a session on Personality and Professional Development: Ethics and Professionalism for IV B.Sc. students. The event commenced with a welcome address by the students, setting the stage for discussions on the significance of ethics and professionalism in healthcare. Prof. V. Jayanthi, Principal of SNNC, delivered the keynote address, highlighting the critical role professionalism plays in shaping healthcare careers. The main sessions were conducted by Prof. Nakka Sukumar, M.A. Sociology, who began by emphasizing the importance of professionalism in fostering trust, integrity, and respect in the workplace. He outlined key attributes of professionalism, such as accountability, competence, and communication skills. Prof. Sukumar then focused on the importance of ethics, stressing its foundational role in guiding healthcare decisions and ensuring patient safety. He elaborated on core ethical principles, including autonomy, beneficence, and justice, which are essential for ethical decision-making in clinical settings. He also discussed the challenges healthcare professionals face in maintaining ethical standards amidst various pressures. The event concluded with a vote of thanks by Prof. V. Jayanthi, who reinforced the importance of ethics and professionalism in the development of competent and responsible healthcare providers.

## Report on language and communication skill development in language practice

The program on "Language and Communication Skill Development in Language Practice," held on 12th September 2019 from 4:00 PM to 6:00 PM at Sree Narayana Nursing College, was aimed at enhancing participants' language practice skills. The event began with a welcome address by the BSc students, who set a warm and engaging tone for the seminar. Dr. Jayanthi, Principal of SNNC, delivered the keynote address, emphasizing the importance of effective language practice in both academic and professional contexts.

The core sessions were conducted by Asso. Prof. Joseph Meka, M.A. English, from Swathi College of Nursing. Prof. Meka began by discussing the "Role of Language Practice," highlighting its significance in mastering effective communication. He then explored the different "Types of Practice," offering insights into various methods to improve language skills. The session continued with an examination of the "Criteria for Creative Automatisation," detailing how language skills can become intuitive and automatic through practice. Prof. Meka also covered "Concept Checking," explaining techniques to ensure comprehension and application of language concepts. Lastly, he discussed the "Features of Practice," outlining key elements that contribute to effective language learning. The program concluded with a vote of thanks and a summary of the event delivered by the IQAC Coordinator, who expressed appreciation for Prof. Meka's valuable contributions and the active participation of all attendees.

## Report on Human Value Development: Conflict Resolution and Peace ability

On 24th September 2019, a seminar on "Human Value Development: Conflict Resolution and Peace Building" was organized at Sree Narayana Nursing College (SNNC) for BSc Nursing students. The event began with a welcome address by the students, followed by an insightful keynote address from Prof. Jayanthi, Principal of SNNC, who stressed the importance of fostering peace and resolving conflicts in both personal and professional settings. The main speaker, Prof. Nakka Sukumar, M.A. in Sociology, led the session by discussing the various causes of conflict and their impact on relationships and organizations. He also elaborated on effective methods of handling conflicts, highlighting key strategies such as communication and compromise. Prof. Sukumar further explained the conditions necessary for successful mediation and outlined different methods of dispute resolution, including arbitration and negotiation. Additionally, he emphasized the characteristics of effective negotiation, which are essential for resolving disputes while maintaining positive relationships. The seminar concluded with a vote of thanks from Prof. Jayanthi, who praised the speaker's valuable insights and encouraged students to apply these conflict resolution techniques in their future careers to promote harmony and understanding.

## Report on yoga and wellness development on yoga for special population

On 17th December 2019, a seminar was held at Sree Narayana Nursing College (SNNC) for PBBSC Nursing students. The event began with a warm welcome address by the students, setting the stage for an engaging and informative session. Prof. B. Kalpana, Vice Principal of SNNC, delivered the keynote address, highlighting the importance of addressing the needs of special populations in healthcare. The primary speaker, Asst. Prof. Swapna Jowari Kopisha, a yoga instructor, conducted several insightful sessions. She discussed the care and considerations required for special populations, especially in the context of holistic healthcare approaches like yoga. Additionally, she covered the impact of chronic conditions on patient well-being and how yoga can be a supportive therapy. Prof. Swapna also introduced the Yoga Alliance Code of Conduct, emphasizing ethical practice and professional standards for yoga instructors. The seminar concluded with a vote of thanks from Prof. B. Kalpana, who expressed appreciation for the informative presentations and encouraged students to integrate these holistic health approaches into their future practice.
