INTERNATIONAL STUDENT CELL

Sree Narayana Nursing College constituted the International Student Cell in the year 2021 January aiming at facilitating students exchange for clinical training and guiding the graduates for overseas employment. The institution ensures that the graduates meet the global standards and work in sync to deliver a plethora of services across many levels, from public health and preventive services in the community, to primary health care, emergency health services, hospital-based treatment, and rehabilitation and palliative care.

Sree Narayana Nursing College is committed to making its presence felt in the International academic and service circle, thereby the nursing graduates will land in International jobs and higher education opportunities. The institution envisions to attract nursing students from foreign institutions for clinical training and also promotes faculty exchange, which is evident from few faculty of the institution pursuing PhD in Nursing at Lincoln University, Malaysia.

The international student cell of Sree Narayana Nursing college will provide necessary guidance for admission in nursing courses for NRI and Foreign students. The cell is headed by the Principal and all the correspondence relating to international Students admission should be addressed to the Principal office.

Who can apply:

1. Foreign Students/ NRI: Students holding passports issued by foreign countries including people of Indian origin (PIO) who have acquired citizenship of foreign countries.
2. Nonresident Indian students who have passed the qualifying examination of 12th standard from schools or colleges situated in foreign countries.
3. Students of Indian citizens whose family members like parents, grandparents or siblings are an NRI.
