INTERNAL QUALITY ASSURANCE CELL (IQAC)

VISION

- To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

MISSION

- To promote high-quality education that cultivates professionalism with a global perspective.
- To inspire lifelong learning, enabling learners to realize their full potential.
- To foster innovative research that benefits humanity and elevates nursing standards.
- To create empowered, committed, compassionate, and skilled healthcare providers who contribute to building healthy families, communities, and nations.
- To nurture students into effective leaders and self-motivated professionals in the field of nursing.

IQAC- STRUCTURE AND MECHANISM

Internal Quality Assurance Cell (IQAC) at Sree Narayana Nursing College plays a crucial role in ensuring both academic and non-academic excellence across various aspects of the institution. The IQAC was established on 16th June 2021, with the Principal of Sree Narayana Nursing College serving as the chairperson. This indicates a commitment to institutional quality from the top leadership. The IQAC includes members from various stakeholders including Principal, Management members, IQAC Coordinator, Senior administrative officers, Faculty members, Nominee of local society, faculty members, Alumni Representative, Industry expert, Student representative

Objective

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices

Strategies

IQAC shall evolve mechanisms and procedures for

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- b) Relevant and quality academic/ research programmes;
- c) Equitable access to and affordability of academic programmes for various sections of society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of assessment and evaluation process;
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

Some of the functions expected from IQAC are:

- a) Development and application of quality benchmarks
- b) Parameters for various academic and administrative activities of the institution;
- c) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;

- d) Collection and analysis of feedback from all stakeholders on quality-related institutional processes;
- e) Dissemination of information on various quality parameters to all stakeholders;
- f) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- g) Documentation of the various programmes/activities leading to quality improvement;
- h) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- i) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- j) Periodical conduct of Academic and Administrative Audit and its follow-up
- k) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.
