ETHICS COMMITTEE 2023-2024

The Ethics Committee is liable for advising the college on the development, implementation and review of institutional procedures and norms relating to ethical issues arising from teaching, student research and other related institutional activities. The role of the Ethics Committee is to be enthusiastic in relation to emerging issues of institutional, national or international significance but will be acknowledging in relation to provide guidance for individual members of faculty or department.

Objectives

- ✓ To advise college on the development of institutional policies and guidelines relating to ethical issues arising from teaching, students and research and other related institutional activities.
- ✓ To promote and monitor good practice within the institution in respect of the management of ethical issues.
- ✓ To provide advice to departments and individual members of staff, students on ethical issues arising from teaching and institutional practice.
- ✓ To formulate institutional responses to national and international developments relating to ethical issues.
- ✓ To consider any matters referred to the committee by the research committee, boards of studies, departments and individual members of the staff.
- ✓ To monitor ethical practices within the college
- ✓ To establish a panel which is empowered to act on behalf of the ethics committee
